

**WE CAN CREATE A NEW TOMORROW  
WHERE EVERYONE CAN THRIVE.**

We are making sure family doctors' voices are heard and patients' needs are met. Over the last several months, BC Family Doctors has been at the table – advocating for physician member needs for compensation.

But we aren't finished. We are just getting started.

**Our billing and practice tools are made for YOU.**

We provide clear and up-to-date information about billing fee-for-service and the LFP Payment Model. Our tools are easy to access and simple to use – making your daily billing that much easier. Click on the boxes below and explore what we offer.

**Join us today.**

Membership to BC Family Doctors is separate and optional from Doctors of BC. We have a tutorial to help you navigate membership renewals via the Doctors of BC website. Click on the link below for details.
